■■■ Short Bio

Peter Steger is a lawyer and entrepreneur. As managing director and co-owner, he runs a GMP-compliant pharmaceutical manufacturing company, Spagyrik Produktions AG. This company produces various herbal medicines, including cannabis medicines in the form of tinctures and oils (THC and CBD-containing products).

Spagyrik Produktions AG has all the necessary licences in this regard. Peter Steger is also co-owner of the distribution company HEIDAK AG and the German subsidiary HEIDAK GmbH. These distribute natural medicines, care products, packaging material and other products.
